FINANCIAL SERVICES GUIDE

WHAT OTHER INFORMATION SHOULD YOU CONSIDER BEFORE DECIDING WHETHER TO PROCEED WITH OUR RECOMMENDATIONS?

If you receive personal financial advice this will be documented in a Statement of Advice (SoA), or in specific circumstances a Record of Advice (RoA), that confirms the discussions you have had with us or records further advice provided by us, the recommendations we are making and the basis for those recommendations. These documents will also explain how those recommendations will work towards achieving your goals, any relevant fees received by us and any associations with financial product providers.

When a financial product is recommended to you, you will be provided with a Product Disclosure Statement (PDS) or other disclosure document issued by the product provider. Among other things, the PDS contains information about the risks, benefits, features, and fees payable in respect of the product. In combination, these documents will help you make an informed decision about whether to proceed with our recommendations.

WHAT PRODUCTS ARE AVAILABLE?

A range of financial products offered by many leading financial product providers are available for recommendation by us. Details of the available products we can recommend are contained in the Approved Product List (APL).

Internal and external experts provide financial product research, which is used to carefully select and maintain an extensive list of Approved Products for us to select from. We conduct due diligence on external research report providers that provide us with research.

We will only recommend a product to you after considering its appropriateness to your individual objectives, financial situation, and needs. The recommendations will be made after investigating the financial products and may require us to investigate and consider a financial product which is not on the APL.

HOW DO WE ENSURE THAT THE ADVICE WE GIVE YOU SUITS YOUR NEEDS AND OBJECTIVES?

To ensure we provide advice suitable for your needs and financial circumstances, we firstly need to understand your financial situation, personal financial objectives, and needs. We will follow a step-by-step process as outlined below:

- 1.) We will meet with you for an initial consultation. During this meeting we will discuss your expectations and provide you with details of the services we can offer.
- 2.) We will collect all the information we need from you, including your personal financial situation, financial objectives, and needs. If you do not wish to provide the information we require, we will advise you of the possible consequences of not disclosing your full personal information and the impact on the recommendations given. This may include not being able to provide advice on the subject matter you request.
- 3.) We will help you identify your goals and may discuss your attitude towards investment risk.
- 4.) We may consider strategies and areas such as income, social security, insurance, cash, and estate planning requirements. Where required we will also conduct a reasonable investigation of the financial products that may be suitable to implement the strategies as part of the recommendations. Based on these and other considerations, we will prepare and present you with a written SoA, or in some cases depending on the circumstances, an RoA. We will explain in the SoA (or RoA) the basis for the advice, and any remuneration, benefits or associations which could have influenced the advice.

Where we recommend financial products, we will provide you with a PDS or other disclosure document containing information about each product recommended, to help you make an informed decision about whether to purchase that product.

- 5.) We will discuss our recommendations with you, make any changes you require and gain your agreement to implement those recommendations.
- 6.) We will then implement those recommendations.
- 7.) We will meet with you annually to review your financial circumstances if we agree to an ongoing advice service arrangement. If an ongoing advice service arrangement is entered, this will be documented in your Ongoing Advice Service Arrangement Letter and/or SoA.
- 8.) Where you have an ongoing fee arrangement that exceeds 12 months, we will provide you with an enhanced Fee Disclosure Statement (FDS). This will include the services you were entitled to receive, the services you received, and the fees you paid, for the previous 12 months. It will also include an estimate of the fees you can expect to pay, and the services you can expect to receive, for the next 12 months.
- 9.) Where you have an ongoing fee arrangement that exceeds 12 months, we will require you to Opt-In to this fee arrangement every 12 months. You can Opt-In several ways that allow us to prove your consent, however for most clients we expect they will simply sign, date, and return the enhanced Fee Disclosure Statement (FDS) to our office via email or post.

We will also explain to you any significant risks of the financial products and strategies which we recommend to you. If you are unclear of the risks, do not hesitate to question us further.

In certain circumstances, we may not provide you with personal advice via a SoA or RoA, as outlined above. These circumstances may include:

- 1.) Where we provide you with only general advice, such as through seminars and newsletters.
- 2.) Further advice or verbal advice – if you previously received advice recorded in a SoA, any further personal advice provided by us may be recorded in a RoA. We will not necessarily provide you with a copy of the RoA unless you request it (see below).

WHAT DOCUMENTS DO YOU GET IF WE PROVIDE FURTHER ADVICE?

Where a further review is conducted, and personal advice is provided, in some circumstances we are not required to provide you with a SoA for this further advice. Where this is the case, if you have not already been provided with a RoA, you may request a copy of the RoA from us by contacting us (on any of the contact details set out in Part 2 of this Guide) for a period of seven years from when the further advice was first provided to you.

HOW CAN YOU INSTRUCT US?

You may specify how you would like to give us instructions, for example, by phone, or email using any of the contact details set out in Part 2 of this Guide. Alternatively, you may provide instructions to us in person. Where instructions are provided by telephone, these must be confirmed in writing.

We may provide services other than financial planning services. For example, we may refer an accountant, legal adviser, real estate agent or other service provider to further complement our service offering. While we may provide access to these other services, you should understand that these other services are not provided under Momentum Wealth Management's AFSL and Momentum Wealth Management does not train, support, or supervise the provision of these other services and has no responsibility in relation to these services.

Details of any fees, commissions, or other benefits that we, Momentum Wealth Management, or other associated persons are entitled to receive if you implement our recommendations in relation to a specific financial product, will be disclosed to you in your SoA or RoA when personal advice is given.

WHAT TYPE OF FEES, COMMISSIONS, PAYMENTS AND OTHER BENEFITS DO WE RECEIVE FOR OUR SERVICES?

The types of fees, commissions and other benefits that may be received by us and Momentum Wealth Management include the following:

Service fees

We will discuss and agree our fee structure with you before we provide you with services. The types of fees you can be charged are listed below. You may be charged a combination, or part of, any of these fees.

Fees for advice

We may charge fees for the preparation, presentation, and implementation of our advice. These fees will be based on your individual circumstances, the complexity involved in your situation and the time it takes to prepare personal financial advice for you. We will discuss these fees with you and gain your agreement to the fees before we provide you with advice. These fees typically range from \$3,000 plus GST upwards and will be quoted and confirmed before preparation. Fees may fall outside of the above range only if agreed upon by you and your adviser.

Ongoing advice fees

We may charge a fee to provide ongoing portfolio reviews and/or for the provision of ongoing services.

This fee will be agreed with you and is either a set amount, or an amount based on the amount of funds under our advice, and/or the time involved in reviewing your portfolio and circumstances.

Payment methods

Our fees are either invoiced to you directly, or deducted from your investments, or a combination of these methods.

Where it is debited from your investments it is normally referred to as the Adviser Service Fee.

In most instances you will be able to select the method of payment that suits you best. We will discuss and agree the method of payment with you before we provide you with services.

Commissions

If you purchase a contract of insurance via us, Momentum Wealth Management may receive payments in the form of initial commissions and/or ongoing commissions from the financial product providers. These commissions are included in the fees, premiums, and interest rate you pay for the product. **This is not an additional cost to you.** We may agree to rebate some or all of these.

The commission payable for different classes of financial products include the following:

Life Insurance Products

Initial and ongoing commissions from insurance providers may be received by Momentum Wealth Management. These commissions are paid to Momentum Wealth Management by the company that issues the product that Momentum Wealth Management's Advisers recommend to you, and they are included in what you pay for the product. The commissions vary and are based on the policy cost, which is the sum of the premiums you pay and may include other fees related to the product.

The initial commission is paid in the first year by the product issuer to Momentum Wealth Management. Ongoing commissions are payments paid by product issuers to Momentum Wealth Management in the years after the first year. These commissions may be passed onto either us or the adviser or retained by Momentum Wealth Management.

If you initiate an increase to your cover, Momentum Wealth Management may receive initial and ongoing commissions on the increase to your policy cost. The ongoing commission on a client-initiated increase is only paid in respect of the period that starts from the first anniversary of the increase.

If the initial commission is equal to the ongoing commissions (as a percentage of your policy cost), Momentum Wealth Management may receive up to 30.00% (inc. GST) of your annual policy cost, each year. This is called a 'Level' commission structure.

If the initial commission is higher than the ongoing commissions (the 'Hybrid' commission structure), the maximum commission that Momentum Wealth Management may receive is up to 60% (excl. GST) of your initial policy cost, and up to 20% (excl. GST) of subsequent years' policy cost.

Example

We recommend an insurance product to you, and it is issued on 2 April 2020. The annual policy cost is \$450. Momentum Wealth Management may receive up to \$270 (60% excl. GST) as an initial commission and may pass up to \$270 to us. Assuming the policy cost stays the same each year, Momentum Wealth Management may receive up to \$90 pa (20% excl. GST) as an ongoing commission and may pass up to \$90 pa to us.

You will find details of how your insurance policy cost is calculated in the relevant PDS that we provide you. Where personal advice is provided to you, you'll also find details of the commission that Momentum Wealth Management and we are entitled to receive if you decide to purchase a life insurance product, in your SoA or RoA.
